### CLUB ACTIVITIES

The December meeting was very well attended and one of the reasons for the large gathering was the impending election of officers for the 60th time. We were pleased to notice that great interest was shown by the membership in the hotly contested positions for the Vice President, Recording Secretary and Corresponding Secretary. The various candidates were called upon to present their ideas and propositions.

The chairman of the Nomination Committee Herbert Hussla and members Edward Lakner and James Lather assisted by Paul Blum, Sr., Arrie Biedermann and Arthur Bauman conducted the election and balloting with efficiency and candor.

The annual get-together in honor of the W. C. F. C. widows and their hard working menfolks was held on Saturday, December 7th. This informal gathering has become a very appreciated evening for the working members of the club, as it gives us a chance once to sit together with our wives without a care.

The children's Christmas party on Saturday, December 21st, a happy, wonderful time for our children, gratifying for the ones who made it possible and for the rest of us the beginning of another White Cross Holiday Season.
