**Club News!** – As host of the 2017 Interclub Races, WCFC had a 4<sup>th</sup> place finish. Although we got off to a great start with many points accumulated from the initial adult races, we fell short in races amongst the children. Overall, it was a fantastic day as the weather held up so a great time could be had by all who attended. Many thanks to **Joann and Neil Wallace** for their endless dedication in making this such a successful event for the club. Also, thanks to the many volunteers who assisted that day and the days leading up to the event in preparing the club for the races.

A **nominating committee** for the 2018 Executive Board will be formed earlier than usual this year due to rumors of many opening positions in 2018. Looking for members that have never served before to “step-up to the plate” and run for any position you are interested in.
